On behalf of all the Target Shooting Group members, I wanted to say a sincere 'thank you, goodbye and all best wishes' to Al & Sharon Black. they will be missed.

I also wanted to 'say' a BIG thank you to all the Activity Coordinators. I will no longer be Convener after the AGM and just wanted to say what a great group they are for all the work they do to keep our Club vibrant.

"Please be advised that all events and activities of the Beaver Valley Probus Club are organized for the benefit and enjoyment of its Members. Individuals who participate do so at their own risk and are responsible for their own safety".

President's Message

This will be my last newsletter as President of the Beaver Valley Probus Club. It has been a good year and I've certainly appreciated everyone's support, especially the Board's, in making this a positive experience. Our Club continues to grow. We now have 574 members with 49 new members. Our membership is capped at 600 so we are getting close to maximum.

Excellent speakers continue to be a major draw, which was clearly illustrated at our January meeting, where people braved the terrible weather to hear Ryan Mundle speak about the "Nancy "and her key role in the War of 1812. We have had many positive comments on the quality of our speakers, which is reflected directly by the high attendance at our meetings.

I want to take this opportunity to thank the following retiring members of our management team: Viv Alper, Activities Convener; Bev Wright, Co-secretary and Ron Hartlen, Director at Large. Their support has been very much appreciated. I particularly want to thank all of the volunteers who help co-ordinate the various Club activities. Without your support, none of this would be happening. A special thanks to Al and Sharon Black for their many contributions to the Club since its inception 13 years ago.

Some of the year's more memorable activities were our Summer Picnic and Bocce tournament at Rice's Pond. The annual golf tournament was a great success, as was the golf putting event at Georgian Manor. The planned theatre events were well attended along with all the garden tours and other summer events. In September, we had the Car Tour which was a great deal of fun. Special mention must go to our very successful Christmas Brunch at the Georgian Bay Club. Many thanks to our Social Director, Stella, who planned and helped, organize many of these events, which were made possible by our volunteers who gave so much of their time.

A reminder to our new members, our Activity Fair in March, will give you a real introduction to what's going on in the Club, make sure to attend.

In closing, this has been a good year and I want to thank you again for your ongoing support. We will see you at the AGM on February 25th.

Peter Armstrong

SINGLES GOURMET: We enjoyed fine Italian cuisine at our last lunch on Jan 26th. Our next event is Feb 23rd at 1pm. The hosts are Joan Liddiard and Ruth Beerli. The theme is north Africa..... I hear there are some changes for Feb. which are being dealt with.

My science magazine is reporting that brown rice has a huge affinity for mercury, a very serious neurotoxin.... And that organic baby food sweetened with "brown rice sugar" tested with high levels. What next?

YOU NEVER KNOW

You never know when someone
may catch a dream from you.

You never know when a little word,
Or something you may do
may open up a window

Of the mind that seeks the light.

The way you live may not matter at all,
But you never know – it might.

And just in case it could be

That another's life through you,

Might possibly change for the better

With a broader, brighter view,

It seems it might be worth a try

At pointing the way to the right

Of course, it may not matter at all,

But then again, it might..

New Website coming soon

With the resignation of Al and Sharon Black, our longtime website managers, it has become necessary to have a website that is easily managed by volunteers who may not be terribly website savvy.

The new website is presently in the development stage and should be ready for use by the end of this month. It will have a totally new look and be easy to navigate.

The February Grapevine is being distributed this month only in hard copy form as the new website will not be ready in time.

You will all receive an email notification when the new website is ready for general use by the club.

Your communications team: Barb Thompson, David Morgan, Terry Kellar

COFFEE CO ORDINATOR POSITION AVAILABLE

Everyone attending the monthly meeting loves socializing at the coffee urns. There's a pressing need for a co ordinator to organize volunteers to set up and clear up the refreshments that please the members.

For further information, contact Joanne Vivona who has been enjoying this position for the past year.

February humour

Submitted by Murray Lamont

A priest, a doctor, and an engineer were waiting one morning for a particularly slow group of golfers on the next hole.

The engineer fumed, "What's with those guys? We must have been waiting for fifteen minutes!" The doctor chimed in, "I don't know, but I've never seen such inept golf!" The priest said, "Here comes the greens-keeper. Let's have a word with him."

He said, "Hello George, What's wrong with that group ahead of us? They're rather slow, aren't they?" The greens-keeper replied, "Oh, yes. That's a group of blind firemen. They lost their sight saving our clubhouse from a fire last year, so we always let them play for free anytime!."

The group fell silent for a moment. The priest said, "That's so sad. I think I will say a special prayer for them tonight." The doctor said, "Good idea. I'm going to contact my ophthalmologist colleague and see if there's anything she can do for them." The engineer said, "Why can't they play at night?"
